

## CLUB ANNOUNCEMENT – EAGAL'S WELCOME ALICE MITCHELL FOR 2022

The club is excited to welcome Alice Mitchell to the nest for 2022.

Alice is a versatile and competitive tall at 183cm who will add significant strength to the already strong Egal's forward line and through the Ruck as well.

Named in the U18 Eastern Allies team in 2018 and 2019 for the state championships however Alice unfortunately missed the carnival through injury in 2019 in her draft eligible year. A born and bred Sydney girl who attended Pymble ladies' college with our own Summer Hall, Alice moved to Gunnedah in NSW's North where she played the 2020 season winning the premiership and reigniting a passion for footy. She backed up a solid year last year by being the competitions leading goal kicker in 2021 with 40 goals from her 14 games.

With the announcement of the Swans AFLW licence in 2022 Alice has decided to showcase her talents in the Sydney AFL in the hope of being drafted in 2022 and has chosen the Egal's to develop and take her game to the next level.

We look forward to watching you dominate in the Blue and Gold in 2022 Alice.

Welcome Alice.
